Applications for the 2019 program!

Rising High School Juniors and Seniors

Youth Leadership Lexington County is hosted and supported by Leadership Lexington County Alumni Association.

Leadership Lexington County graduates found the adult program so informative that they decided to build a one week summer program each year for up to 40 rising juniors and seniors from Lexington County's high schools. The program is designed to let students experience Lexington County. They will participate in team building exercises, including a challenge course at Saluda Shoals Park, visit a farm, local businesses, hospital facilities, participate in a courtroom mock trial and even tour the county jail!

Applicants must be nominated by a teacher or administrator. This is a great program to list on your college application. The future leaders participating in this program will learn about the culture and industry in our county and learn to network with other young leaders.

DATES- APPLICATION: This year's program will be held the week of **June 10-14, 2019**. Participants will be responsible for meeting at a central location each morning. Transportation to the day's activities, lunch & refreshments will be provided.

Complete the attached application and return postmarked by April 19, 2019

Applications may be obtained from area high schools or below listed contacts. Applicants will be contacted for acceptance into the program. A high number of applicants may or may not necessitate an interview prior to acceptance into the program. Completion of the program allows the applicant to apply for a scholarship.
